# Llanishen Evangelical Church

# Who are we?

We are a group of around 40 Christians, most of whom live in or around the Fishguard Road housing estate in Llanishen, North Cardiff. Our church family ranges from infants to those in their 90s.

We meet in the church building which is just south of the park in the middle of the Fishguard Road estate.

We believe that the news about Jesus Christ is the best and most important news there is to hear. Each of us has a personal relationship with God and as a church we exist to worship God and to make the news about Jesus known in Llanishen, Wales and beyond.

You don't have to be a Christian to come along; some who come are exploring what church is all about.

There's no dress code - you can come wearing whatever is comfortable for you.

If you would like to find out more about Christianity, please get in touch or come along to one of our events or activities.
